

# List of Insurance Brokers - June 2017

## Background

We have been developing access to fair insurance for people with convictions since 2000. Since then we have worked hard to make it easier for you to get genuine cover at a fair price. Unlock is an independent charity, and so we do not provide insurance directly. We are not FCA regulated and so we're not able to provide specific insurance advice. This list sits alongside detailed guidance and a list of motor insurers for those with non-motoring convictions. Both are available to download from [www.unlock.org.uk](http://www.unlock.org.uk)

All of the companies on this list have confirmed to Unlock that they:

1. Do not require individuals to disclose spent criminal record information (in line with the Rehabilitation of Offenders Act 1974)
2. Are able to offer individuals, on request, written confirmation of the information they have disclosed regarding criminal convictions
