

# List of Insurance Brokers – Commercial – November 2020

## Background

We have been developing access to fair insurance for people with convictions since 2000. Since then we have worked hard to make it easier for you to get genuine cover at a fair price. Unlock is an independent charity, and so we do not provide insurance directly. We are not FCA regulated and so we're not able to provide specific insurance advice. This list sits alongside detailed guidance, a list of brokers offering commercial insurance and a list of motor insurers for those with non-motoring convictions. All are available to download [here](#).

All the companies on this list have confirmed that they:

- Do not require individuals to disclose spent criminal record information (in line with the Rehabilitation of Offenders Act 1974)
- Are able to offer individuals, on request, written confirmation of the information they have disclosed regarding criminal convictions.

As of 12 August 2016, the Insurance Act 2015 came into force and applies to all commercial insurance contracts. Under the 2015 Act, you are required to disclose sufficient information to put an insurer on notice that they may need to make further enquiries about a potential material circumstance.

We would advise anybody with unspent convictions to disclose all the unspent convictions of people who are covered by the policy. This is even where there isn't a specific question about convictions.
